Live music is the soul of L.A. nightlife, and lucky for us, we play host to a bevy of super-cool venues that only add to the experience. Aside from major auditoriums like Staples, many local sound stages boast a unique feel that amps up any visiting musical act. So, with that thought ringing in our ears, we chose three of our favorite concert locales around town and styled sick outfits around their vibes. From a boho-and-fringe ensemble for Hotel Cafe to a Deco-inspired look for The Wiltern, all you have left to do is buy your tickets. Feel free to bob your heads to the rhythm click! CC0/Pixabay/Pixabay As you begin to learn to play the guitar, you want to find sheet music for the songs you want to play. The good news is the internet is teeming with sites where you can search for music, and much of that music is free. Free guitar tabs are submitted to sites by thousands of users all over the world. On the down side, that means some of the free guitar tabs are bad. The key is to go to sites that are popular for featuring free sheet music that ranges from good to exceptionally accurate. As community-based sites, some of the free guitar sheet music sites have rating systems for users to vote for tab versions they like.Ultimate GuitarThis free guitar tabs website is easily the most popular among the guitar sites. As of December 2018, the website has a little more than 1,100,000 free sheet music for guitars.
